

HUNTERTOX-MAX

Feed efficiency enhancer for animal feed

What is **HUNTERTOX-MAX**?

Is a blend of hydrated calcium and sodium aluminosilicates (HSCAS), diatomaceous earth, yeast cell wall extracts (*Saccharomyces cerevisiae*), BG-MOS, Beta-Glucans, Nucleotides, extracts of Milk Thistle and Artichoke, Enzymes, N-Choline, and Lecithin. It is used as a broad-spectrum mycotoxin adsorbent.

It effectively controls high-polarity mycotoxins, such as Aflatoxin, and significantly reduces the effects of low-polarity mycotoxins, including Zearalenone, Citrinin, DON, Vomitoxin, Fumonisin, among others. Each component of **HUNTERTOX-MAX** has a specific protective function against the target sites of mycotoxins, helping to counteract their adverse effects.

HUNTERTOX-MAX exerts a powerful protective effect on the liver and its metabolic and immune functions, contributing to improved productive, reproductive, and health performance in animals.

Benefits of using **HUNTERTOX-MAX**:

- Acts as a feed efficiency enhancer.
- Protects animals from the adverse effects of broad-spectrum mycotoxin contamination and other toxins.
- Provides excellent liver protection.
- Reduces the adverse impact of mycotoxins on enzyme, coenzyme, and bile juice production.
- Improves intestinal health.
- Increases water retention in the intestine, resulting in drier, less odorous feces.
- Enhances immunity.
- Reduces the presence of mycotoxins in meat, milk, and egg products.
- Improves production costs.

Dosage:

Use **HUNTERTOX-MAX** as an ingredient in the production of animal feed at a rate of 0.5 to 1.0 kg per ton of feed, depending on feed contamination levels.

Ingredients:

- Hydrated sodium and calcium aluminosilicates (HSCAS)
- Beta-Glucans (BG)
- Nucleotides
- Mannan-oligosaccharides (MOS)
- Phosphatidylcholine
- Extracts of *Silybum marianum* (Milk Thistle) and *Cynara scolymus* (Artichoke)
- Herbal Choline
- Phytase, Protease, and Xylanase

Presentation: 22 kg bag

PRECAUTIONS:

- **FOR VETERINARY USE ONLY**
- **STORE IN A COOL, DRY PLACE ON PALLETS AND AWAY FROM SUNLIGHT**

Manufactured by: Pecuarios S.A.

Plant: Finca Santiago, Km. 25.5 Ruta Nacional 18.
San José Pinula, Guatemala.

Office: 0 calle Calzada La Paz 23-13 zona 17.
Centro de Negocios La Paz, Bodega 107
Guatemala C.A. **Phone:** +(502) 2374-6400
